

ASC Trek Program

(Short Term & Extended)
Parental Information

Parents of Scouts participating in any out of Camp Trek Programs at Sabattis must be aware that while on trail your son:

1. May swim at locations not inspected by New York State Department of Health.
2. Will have qualified adult leaders trained in the BSA Safe Swim Defense Plan, and certified lifeguards who will determine the suitability of the location for swimming at different sites.
3. May be in a location that is remote and / or inaccessible to allow prompt transfer to an emergency medical health care facility.
4. Will have Trip Leaders that will be currently certified in First Aid Responding to Emergencies and C.P.R. For the Professional Rescuer or an equivalent coursed
5. May be in a location that is remote and in the event of a family emergency at home we may not be able to contact your son for several days
