

Sabattis 2010

Sabattis this year is from Sunday July 11th through Saturday July 17th. As in all previous years there are many opportunities for all Scouts to work towards advancement and to gain merit badges that cannot easily be done at home, as well as having fun throughout the week.

For new scouts, particularly those just coming into the troop from the pack, there is the TrailBlazer program, giving you a head start on Tenderfoot, Second and First Class outdoor requirements. For those into the advanced program there are many of the outdoor activity merit badges. For the older Scouts there are many opportunities to pass on the skills you have learned and have fun with the many out door challenges offered and that odd merit badge you haven't taken yet.

The Cost of the camp for this year is \$290 per scout due in 2 installments, a deposit of **\$100 by February 8th** and the balance of **\$190 by April 20th**. Full fees not made by this date result in a \$50 late charge. There is also a \$5 discount for each brother also attending. For Scouts wishing to attend Sabattis this year it is important that we know as soon as possible by returning the attached form. This should be returned along with the \$100 deposit by Monday 8th February at the latest, as the provisional roster is due by February 15th. This is so that the real planning can start to ensure that everyone gets the maximum enjoyment and fun from the week.

Parents – We are always in need of drivers to get the scouts and equipment to and from Sabattis, in particular if you have a towing point on your vehicle. If you can drive up or back please indicate this on the form you return. We are also always in need of parent leaders for the week or any part of it from 2 – 6 days. If you want to get away from that cell phone and computer and experience 2 or more days of total relaxation – OK maybe not quite, there are 250 teenagers around, but come and help, it really is relaxing. Again indicate this on the attached form when you return it,
